SURRIDGE

In 1867 Percy Stuart Surridge created a sports brand. He applied the principles of tradition and craft, with the concept of bringing innovation to improve performance, creating product defined by craftsmanship, originality and Britishness.

Today, we are a brand that not only connects with our markets and consumers but keeps with our origins and principle's set over 150 years ago.

Surridge Sport head office, warehousing and production facilities are based in Burnley, Lancashire. The site has in house embroidery, manufacturing, print and embellishment facilities along with a dedicated design and product development team and a fully equipped distribution/customer service team. This allows Surridge the flexibility to manage and service its portfolio of accounts simply and efficiently, maintaining day to day fulfilment of orders as well as looking to make improvements and handle any quick turnaround of kit that may be required. Careful planning with account management shall ensure the organisation's needs will be prepared for in advance and progressed in an organised and agreed fashion.

The company is wholly family owned in the UK and is self-financed operating from our own custom built facilities in Lancashire of 60,000 sq ft. We will be happy to produce copies of our audited accounts to satisfy any due diligence procedures and we formally extend an open invite to any of your personnel to visit us at any time.

Surridge Sport uses factories in the Far-East for production of the proposed range. We have developed strong relationships with the suppliers and have worked with them for many years. We also have employees based in the factories to help manage the supply.

Objective

Surridge Sport aim to supply you with a commercially attractive proposal and a high performance playing and training range at competitive prices. We also guarantee a high level of contract management, quality of product and a seamless transition of supply.

EXCLUSIVE VAPADRI™ Technology Designed for Athletes

ECODRI is an exclusive range of materials made with VAPADRI™ technology for Surridge Sport and other major sports brands. EcoDri is a 100% recycled material that is used in the dye sublimated process for most playing garments. Surridge Sport can offer an EcoDri material for all playing garments.

EcoDri is made from 100% recycled polyester yarn, produced from water bottles. This process is managed through our own research and development with our material factories in the Far East. All the EcoDri material is made with VAPADRI™ technology, meaning that the performance of the material is still to the highest standards that we offer. The EcoDri material is still at a premium in price but we are convinced that our pricing is still the most competitive on the market against our competition.

HOW TO MEASURE

All measurement(s) need to be taken from a garment you own.

YOU WILL NEED:

- TAPE MEASURE**
With elastic ends (cm and mm)
- T-SHIRT YOU OWN**
A garment you own, from any brand, with a comfortable fit.

- Find a T-shirt you own:**
Choose a T-shirt you currently own (any brand) which is the most comfortable fit for you.
- Chest Measurement:**
Lay the top down on a flat surface and measure the distance across the T-shirt, from one under arm to the other, as shown in point A.

SIZE CHART* (all measurements given in cm)

MEASUREMENT DESCRIPTION	XS	S	M	L	XL	XXL	XXXL
ALL MEASUREMENTS IN METRIC (CM)	84cm	91cm	98cm	106cm	114cm	122cm	130cm
CHEST	86	93	100	108	116	124	132

* Please allow for a plus or minus 1-2 cm tolerance in our garments. Material is also a factor in how a garment can fit you. We will have more details in the product description regarding the material stretch. If the material is stretchy then you can wear the garment as a tighter fit as the material will stretch. Please be aware that the above measurements are of the garment and not of your body.

WASHING INSTRUCTIONS

Surridge Sport garments are manufactured from top quality fabrics. All fabrics & logos undergo stringent quality tests to ensure durability and wash-ability. They will last for many years if properly cared for. When washing garments always refer to the instructions on the garment label.

Playing Kits

First wash – Always wash shirts, shorts and socks inside out & separately to remove surface dye.

Avoid leaving kits folded or bundled together for any length of time whilst damp or soiled. Remove excess mud and wash as soon as possible after use to avoid stains from setting.

Garments may discolour due to staining by substances such as mud, grass, petroleum jelly etc, which may not entirely be removed by washing alone. Treat stains directly with a stain remover as soon as possible.

Take care not to use stain remover on transfers applied to the garment as this may effect the quality of the print. Some of the toughest stains may require more than one treatment.

- Do not over load the washing machine and always wash light and dark colours separately.
- Do not wash above the temperature stated on the garment label. (many items 30°C)
- Do not use fabric softener.
- If the garment can be tumble dried (see care label) always tumble dry cool.
- Never iron printed motifs

Training Wear / Outer Wear

Dirt on outer wear (padded jacket, rain jacket, training jacket) should be wiped off with a damp cloth. These garments do not require regular washing as this will remove the shower proofing. If necessary wash inside out, no hotter than 30 degrees on a synthetic wash.

- Do not use fabric softener.
- Do not tumble dry.
- Never iron printed motifs.

Surridge Sport does not accept liability for discolouration or damage to garments due to incorrect laundering.
