SIZE GUIDES

All products requiring a size guide have their own individual guide and information on How To Measure on the chosen product web page (See example below)

1). Simply visit www.surridgesport.com or scan the QR Code bottom left

2). Select the chosen product, ie: Blade Training Shirt plus colour

3). Click on:

[SIZE GUIDE](#)

Which will then take you to the product size guide window shown below

Scan me from your device

EST. 1867

HOW TO MEASURE

All measurement(s) need to be taken from a garment you own.

YOU WILL NEED:

- TAPE MEASURE**
With elastic ends (cm and mm)
- T-SHIRT YOU OWN**
A garment you own, from any brand, with a comfortable fit.

- Find a T-shirt you own:**
Choose a T-shirt you currently own (any brand) which is the most comfortable fit for you.
- Chest Measurement:**
Lay the top down on a flat surface and measure the distance across the T-shirt, from one under arm to the other, as shown in point A.

SIZE CHART* (all measurements given in cm)

MEASUREMENT DESCRIPTION	XS	S	M	L	XL	XXL	XXXL	4XL	5XL
CHEST	86	91	96	101	106	111	116	121	126
LENGTH	66	68	70	72	74	76	78	80	82
ARM LENGTH	53	54	55	56	57	58	59	60	61
SHOULDER	36	37	38	39	40	41	42	43	44
NECK	33	34	35	36	37	38	39	40	41

* Please allow for a plus or minus 1-2 cm tolerance in our garments. Material is also a factor in how a garment can fit you. We will have more details in the product description regarding the material stretch. If the material is stretchy then you can wear the garment as a tighter fit as the material will stretch. Please be aware that the above measurements are of the garment and not of your body.

WASHING INSTRUCTIONS

Surridge Sport garments are manufactured from top quality fabrics. All fabrics & logos undergo stringent quality tests to ensure durability and wash-ability. They will last for many years if properly cared for. When washing garments always refer to the instructions on the garment label.

Playing Kits

First wash – Always wash shirts, shorts and socks inside out & separately to remove surface dye.

Avoid leaving kits folded or bundled together for any length of time whilst damp or soiled. Remove excess mud and wash as soon as possible after use to avoid stains from setting.

Garments may discolour due to staining by substances such as mud, grass, petroleum jelly etc, which may not entirely be removed by washing alone. Treat stains directly with a stain remover as soon as possible.

Take care not to use stain remover on transfers applied to the garment as this may effect the quality of the print. Some of the toughest stains may require more than one treatment.

- Do not over load the washing machine and always wash light and dark colours separately.
- Do not wash above the temperature stated on the garment label. (many items 30°C)
- Do not use fabric softener.
- If the garment can be tumble dried (see care label) always tumble dry cool.
- Never iron printed motifs

Training Wear / Outer Wear

Dirt on outer wear (padded jacket, rain jacket, training jacket) should be wiped off with a damp cloth. These garments do not require regular washing as this will remove the shower proofing. If necessary wash inside out, no hotter than 30 degrees on a synthetic wash.

- Do not use fabric softener.
- Do not tumble dry.
- Never iron printed motifs.

Surridge Sport does not accept liability for discolouration or damage to garments due to incorrect laundering.
